

## Mini Aviation EXPO

The doors will open at 8:30am and close at 2:30pm. The presentation will begin at 9 on the dot. There will be one large conference area setup that each of the company representatives that attended the IA seminar can use to discuss topics of their choice with the owners, pilots, and mechanics that attend.

**Directions:** The event will be held in the University of Alaska Fairbanks Aviation Program Hangar located on the far east corner of the east ramp which is located at the Fairbanks Airport.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
